## **Cefanight Sheep** – *Freelance Animator* Estimated Time: 16 hrs

**Software: After Effects**

Created a short animation for a Fiverr client in Germany. I was provided with illustrations that I then rigged and animated.

## **Date Night** – *Animator* Estimated Time: 24 hrs

**Software: Adobe Flash**

Personal project animated to dialogue.

## **Kiss of Death** – *Animator* Estimated Time: 32 hrs

**Software: Toon Boom Harmony**

This was a final piece for a class.

## **11 Second Club March 2017** – *Animator* Estimated Time: 10 hrs

**Software: After Effects**

This was a personal project practicing character animation and rigging in After Effects.

## **Blue Spruce Toolworks** – *Animator* Estimated Time: 6 hrs

**Software: After Effects**

This was an experimental project animating a logo for a friend.

Blue Spruce  
Toolworks

Hand tools for your finest work
